AREA GUIDE

LOCAL AREA INTRODUCTION

No other sailing vacation destination in the Mediterranean combines striking volcanic terrain, unbelievable wildlife and an enduring connection to Napoleon Bonaparte, quite like the French island of Corsica.

Sailing Corsica may get you closer to Napoleon's birthplace, now the Maison Bonaparte Museum, but this cultural bounty competes with the wonder of the UNESCO Scandola Nature Reserve.

In this protected reserve, endangered species are thriving. Red coral is recovering from overexploitation and growing in Corsica's protected, shallow waters. You can also see whale and dolphin sanctuaries, or hike in the mountains, as part of your Corsica yacht charter.

CURRENCY: Euro (EUR)

VOLTAGE: 220V

DIALING CODE: +33

INTERNET

The Wi-Fi in Corsica is good and most cities and towns in Corsica have Wi-Fi hotspots at bars, restaurants and hotels.

BAGGAGE

Please only take soft bags and not suitcases, as they would be too cumbersome onboard.

PARKING

Paid parking facilities are conveniently located in the close vicinity of the Port Charles Ormano marina as well as along the Boulevard Charles Bonaparte.

ENVIRONMENT

- Respect your surroundings and leave only footprints in the sand
- Only use the engine or genset when needed (fill up your tanks for the water maker at the docks when you can)
- Recycle your garbage in the correct containers at the marina
- Respect regulations around marine reserves and private islands where disembarking is not permitted

REGULATIONS

There are many restrictions in the nature reserves, such as no fishing or diving. Please respect them and visit the official websites.

SAILING CONDITIONS

SAILING AREA

Begin your Corsica sailing charter from our bases in the Corsican capital of Ajaccio to explore the region's 200 or so sand and pebble beaches, as well as tour the impressive rocky coastlines with mountainous backdrops.

Corsica is also known as the 'scented island' because of the fragrant maquis flowers that swathe its lands. With over 300 miles of spectacular jagged coastline and a gentle Mediterranean climate, a Corsica yacht charter is the best way to enjoy this unique island's sunny summer days, evergreen forests and wide variety of protected bird species.

WEATHER

The best time to visit Corsica is in the summer when you can make the most of the warm, dry Mediterranean climate. You can sail from May to September, although the summer months are the most popular.

The temperature in Corsica in summer averages 82°F and the sea temperatures are around 75°F in summer.

TEMPERATURE

Climate in Corsica:

- Summer high: The July high is around 82°F
- Winter low: The January low is 39°F

. YOUR CRUISE

Customers can take advantage of pre-ordering beers and wine, providing the convenience of paying in advance. This service ensures your preferred beverages are reserved and waiting for you, making your experience seamless and hassle-free.

WHAT TO PACK

DREAM YACHT
WORLDWIDE

- **Soft luggage that you can fold away or roll up - hard suitcases are hard to fit in your cabin and there is nowhere to store them onboard**
- **Reef-friendly sunblock and sun cream**
- **Dry bags or zip lock bags to protect your money, cameras and mobiles**
- **Seasickness bands and tablets are good for novice sailors**
- **Earplugs and eyeshades are great for light sleepers**
- **Keep clothing light and remember you will be around water a lot! Don't forget several swimsuits, hat, sunglasses and an extra beach towel (even though towels are provided)**
- **When it comes to shoes, you're likely to be barefoot onboard so pack just one pair for going ashore and some water shoes for reefs**
- **Leave expensive jewelry, make-up and hair straighteners behind – it's time to relax!**
