### INTERNET

You'll find free Wi-Fi at the marina, not on the boat. Getting online is easy with plenty of Wi-Fi spots in restaurants and cafes, but you may find that speeds vary.

### ENVIRONMENT

- Respect your surroundings and leave only footprints in the sand
- Only use the engine or genset when needed (fill up your tanks for the water maker at the docks when you can)
- Recycle your garbage in the correct containers at the marina
- Respect regulations around marine reserves and private islands where disembarking is not permitted

## YOUR CRUISE

---

It is essential that each passenger must have a passport valid for 6 months after the return date. A copy of your passports, of your flight details and any know food restrictions or medical diet must be sent at least 1 week before your departure to your cruise' organizer.

Customers can take advantage of pre-ordering beer and wine, providing the convenience of paying in advance. This service ensures your preferred beverages are reserved and waiting for you, making your experience seamless and hassle-free.

## WHAT TO PACK

---

- Soft luggage that you can fold away or roll up - hard suitcases are hard to fit in your cabin and there is nowhere to store them onboard
- Reef-friendly sunblock and sun cream
- Dry bags or zip lock bags to protect your money, cameras and mobiles
- Seasickness bands and tablets are good for novice sailors
- Earplugs and eyeshades are great for light sleepers
- Keep clothing light and remember you will be around water a lot! Don't forget several swimsuits, hat, sunglasses and an extra beach towel (even though towels are provided)
- When it comes to shoes, you're likely to be barefoot onboard so pack just one pair for going ashore and some water shoes for reefs
- Leave expensive jewelry, make-up and hair straighteners behind – it's time to relax!
